QUICKSTART GUIDE

Let's Dive In
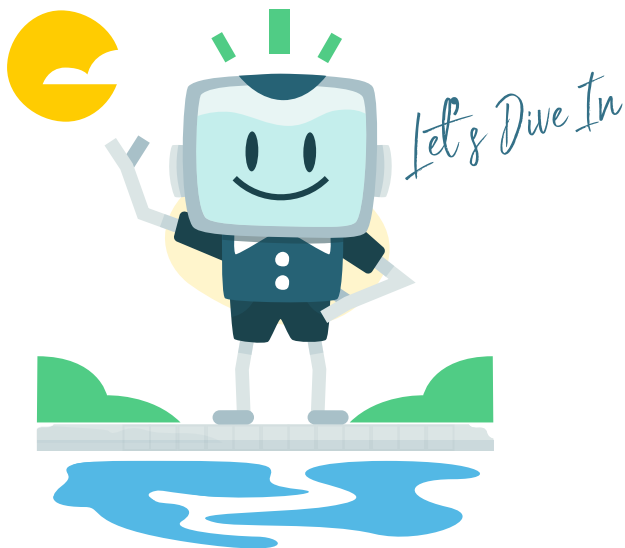

THE ATTENDANT

Automation that thinks for itself. And pays for itself.

DOWNLOAD the free Poolside Attendant app and follow the prompts to create a new user account.

POWER ON and **CONNECT** The Attendant, following the on-screen instructions to connect to a wireless network. Then pair your user account to The Attendant using the on-screen registration code.

PERSONALIZE The Attendant by completing the interview. Review the settings in Installer Mode; Site Info, Water Features, Devices and Water Flows.

✓ **CONFIRM** the configuration by using the app to test each control or button to verify all is operating as expected.
